2. Breast cancer is a heterogenous disease, but a recent study found that abdominal obesity was responsible for all types of breast cancer in both premenopausal and post menopausal women.
3. The second important finding of the study was that even in those with normal BMI but with high abdominal obesity, the risk of breast cancer was three times higher.
4. In fact, there is nearly three times increased breast cancer risk in women with high central obesity.

Your Answer: 4 ✖

Correct Answer: 1 ✔

Directions for questions 4 to 6: Each of the following questions presents 4 statements of which 3, when placed in appropriate order would form a contextually complete paragraph. Pick the statement that is not part of that context and indicate the number corresponding with it in the box provided below each question

1. Amid such economic disparity among States, a Delhi – based one – size – fits – all policy regime for all of India is entirely anachronistic.
2. Clearly, Tamil Nadu and its Chief Minister Ms. Jayalalithaa feel very strongly about their sovereign rights and the imposition of policies from New Delhi.
3. A research of per capitane domestic product from 1960 to 2014 of India's 12 largest states that accounted for 85 per cent of the total population, shows that economic disparity within India's States is among the largest in the world, lending credence to Ms. Jayalalithaa's demand for economic freedom.
4. It may be tempting to dismiss this as political grandstanding but Ms. Jayalalithaa is right about the economic diversity of India.

Your Answer: 4 ✖

Correct Answer: 1 ✔

Directions for questions 7 and 8: The following question has a paragraph from which the last sentence has been deleted. From the given options, choose the one that completes the paragraph in the most appropriate way.

One of the most crucial elements in China's rapid economic growth from the 1980s onwards was not just Deng Xiaoping's reforms but Mao Tse-tung's campaign two decades earlier to achieve universal literacy. It is education that has underpinned China's transformation from an agricultural to an urbanised society. Deng gets the credit for economic reforms in the 1980s and Mao the brickbats for his brutal methods in the Cultural Revolution in the 1960s. _____

- ☒ a) If literacy remains abysmal social and economic growth will remain a distant dream. (Your answer - ✗)
- ☐ b) Hence, China should realize the importance of universal literacy in transforming itself into a multi-trillion dollar economy in future.
- ☐ c) But it was Mao's campaign for universal literacy that enabled Deng's economic reforms to bear fruit. (Correct Answer - ✓)
- ☐ d) But, Mao made no attempt to establish a high-growth economy.

Directions for questions 7 and 8: The following question has a paragraph from which the last sentence has been deleted. From the given options, choose the one that completes the paragraph in the most appropriate way.

A lone sound captures attention. Stack enough sounds together and they cease to provide meaning, instead functioning only as noise. Visual perception operates in much the same way. Try to cram too many visual elements into a space, and you get only visual noise that the viewer disregards, rather than trying to sort out. Minimalist advertising aims to strip out virtually all the visual noise that appears in many ads and focus on a lone visual message. _____

- ☐ a) Tech giant Apple, for example, built an entire brand on a minimalist approach. (Correct Answer - ✓)
- ☐ b) Minimalist ads are often memorable.
- ☒ c) Minimalist ads tend to capture our attention. (Your answer - ✗)
- ☐ d) The viewers' eyes are drawn to the key of the image.

Directions for questions 9 to 11: There are two blanks in each of the following sentences. From the pairs of words given below each sentence, choose the pair that fills the blanks most appropriately.

The state government has decided to issue _____ notes to works contractors against their _____ bills for discounting it before financial institutions.

☐ a) contributory . . . actual

☒ b) promissory . . . pending (Your answer - ✓)

☐ c) discount . . . recent

☐ d) encashed . . . payment
